

## **PRIVACY POLICY**

### **Arkansas Valley Conservation Coalition (AVCC)**

#### **For Website: SaveFremontCounty.org**

AVCC has always been committed to maintaining the accuracy, confidentiality, and security of your personal information. We have established Privacy Principles to govern our use of contact information.

**AVCC does not sell, share or distribute Contact Information to any third-party organization.**

#### **Accountability**

AVCC is responsible for maintaining and protecting contact information under its control.

#### **Identifying Purposes**

The purposes for which contact information is collected shall be identified before or when the information is collected.

#### **Consent**

The knowledge and consent of the persons submitting contact information are required to collect, use, or disclose their information except where required or permitted by law.

#### **Limiting Use, Disclosure, and Retention**

Contact information may only be used or disclosed for the purpose for which it was collected unless the person has otherwise consented or when required or permitted by law. Contact information may only be retained for the period of time required to fulfill the purpose for which it was collected.

#### **Accuracy**

Contact information must be maintained in as accurate, complete and up-to-date form as is necessary to fulfill the purposes for which it is to be used.

#### **Safeguarding Contact Information**

Contact information must be protected by security safeguards that are appropriate to the sensitivity level of the information.

#### **Openness**

AVCC is required to make information available to people (who have submitted their contact information) concerning the policies and practices that apply to the management of their information.

#### **Access**

Upon request, a person shall be informed of the existence, use and disclosure of their information, and shall be given access to it. They may verify the accuracy and completeness of their information, and may request that it be amended, if appropriate.
